

A Life Saved

Never give up. No matter how ill you are. Ayer's Sarsaparilla has cured some terrible cases, and it will cure you.

Mr. Thos. H. Castel, Barrel Creek, Dripstone, New South Wales, writes:
"I feel it my duty to let suffering people know what a wonderful blood-purifying medicine is Ayer's Sarsaparilla. My illness began with sharp pains in the limbs, while I was handling wet wool. After a day or two I could not walk, and suffered terrible pains. My face turned nearly black, large red blotches came out all over my body, and then I became delirious. I was in two hospitals for some time, and everything was tried, but I grew weaker and weaker, and became convinced that nothing could be done for me. I had heard so much about Ayer's Sarsaparilla that I thought I would give it a trial as the last hope. After taking one bottle I thought I felt a little better. So I procured another bottle, and then another, and still another. I gradually improved, and in due time left my bed for the first time in six months. I am now in good health, and I say to every one that Ayer's Sarsaparilla saved my life."

AYER'S Sarsaparilla

There are many imitation Sarsaparillas. Be sure you get "Ayer's."

THE KAISER'S BIRTHDAY HONORED IN HONOLULU

THE KAISER'S LATEST PHOTOGRAPH.

Reception by Consul Isenberg Which Was Attended by Leading Residents of This City and Service Officers.

The birthday anniversary of the Emperor William of Germany was appropriately observed in Honolulu yesterday, when not only Germans, but representatives of almost all nationalities in the city paid their respects to German Consul H. Alexander Isenberg at the consulate in the Hackfeld building, from 12 noon to 2 p. m.

Officials of the Federal and Territorial Governments, consuls and consular representatives, business and professional men, and citizens in general, quaffed bumpers of champagne to the health of his august Majesty.

Over the building floated the Imperial German flag. In the consular rooms the portraits of the Emperor and Empress were decorated with malle and several smaller pictures of the Emperor's family were displayed.

Consul Isenberg attended by Mr. Hackfeld, received the guests at the entrance to the consulate. A moment later the guests were confronted with champagne and healths were drunk. An excellent collation comprising chicken salad, potato salad, sandwiches and glaces loaded down a table at the end of the room.

In an adjoining room cigars were enjoyed and the guests subscribed their names to the consular guest book. Throughout the reception the Hawaiian Government band under Kapellmeister Berger played German airs. At the conclusion of the concert Consul Isenberg thanked the musicians and presented them with \$50 in token of his appreciation.

Governor Carter was an early caller. Captain H. W. Lyon, commandant of the Naval Station, attended by Commander Sherman of the Petrel and his staff, in white uniforms, Col. John McClellan, Artillery Corps, U. S. A., and staff, and Colonel Jones, National Guard of Hawaii, and staff, attended in uniform. The callers who attached their names to the guest book were as follows:

Governor Carter, Capt. H. W. Lyon, U. S. N., commandant Naval Station; Commander Sherman, U. S. S. Petrel; Capt. Niblack, U. S. S. Iroquois; Major Fuller, U. S. M. C.; Paymaster Brown, U. S. An Enjoyable Outing.

The most attractive day's outing is that afforded by the excursion down the railroad line. The HALEIWA LIMITED, a first-class train, leaves Honolulu every Sunday morning at 8:20 o'clock making the run in two hours the rate for round trip being only \$2.00. From 10:25 a. m. until 8:10 p. m. is spent at the beautiful HOTEL HALEIWA, with fresh and salt water bathing, tennis, golf drives and walks, shooting or fishing and you are back in town at 10:10 o'clock in the evening.

HAWAIIAN ENTOMOLOGICAL SOCIETY IS ORGANIZED

The number of persons engaged in entomological work upon these islands, the peculiarity of the native insect fauna, and the abundance of introduced species seemed to some entomologists here to warrant the organization of a society that would promote a knowledge of the science in all its phases, and friendly relations between those interested in it. The writer began to agitate the desirability of such a society shortly after landing upon the shores of this fair isle. This agitation culminated in a preliminary meeting held December 15th last, in the library of the Government Nursery Building. On the evening of Thursday, January 25th, organization was perfected by the adoption of a constitution and the election of officers; these were as follows:

President, Prof. R. C. L. Perkins; Vice-President, Alexander Crow; Secretary-Treasurer, Jacob Kotinsky. Members Executive Committee, Otto H. Swezy and D. L. Van Dine.

The almost total absence from the meetings of naturalists other than entomologists, did not seem to warrant the formation of a broader natural history society as was suggested in place of the limited entomological society. The constitution of this society will be published in full in the ensuing number of the Hawaiian Forester and Agriculturist.

JACOB KOTINSKY,
Secretary-Treasurer.

WHAT THIS MAN SAYS

Only Reechoes the Sentiment of Thousands in Our Republic.

The Honolulu reader is asked to thoroughly investigate the following. This can readily be done as the gentleman whose statement is published below will be only too pleased to give minute particulars to anyone enquiring not out of idle curiosity but if the enquirer really suffers from any of the consequences which always attend weakened or inactive kidneys. Read carefully what this gentleman has to say:

Mr. J. D. Conn, of this city, is a carpenter by trade, and is employed at the Oahu railroad. "I was troubled," says Mr. Conn, "with an aching back. The attacks occurred periodically for years, and especially if I happened to catch cold. There were also other symptoms which plainly showed that my kidneys were out of order. A short time ago, I heard about Doan's Backache Kidney Pills and the wonderful things they were doing.

Proceeding, then, to Hollister & Co.'s drug store, I obtained some of these. Since taking these pills there is great improvement in me. I always keep some of the pills on hand now so as to be provided for any contingency. I feel sure if anyone troubled as I was should give Doan's Backache Kidney Pills a fair trial they will not fail to be benefited by them."

Doan's Backache Kidney Pills are sold by all druggists and storekeepers at 50 cents per box (six boxes \$2.50) or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.

Remember the name, Doan's, and take no substitute.
